---

### "Where in the World" is Donald Trump about to speak?

### Setting up cameras on a ChromaDuMonde

First to guess this location will  
win this fabulous new Mini

CamBook with "ChromaMatch"  
the ultimate color test pattern.

## Winners of two recent Popular Contests

**Scott Staton** of Beverly Hills, MI won with: The Great Wall of China.

**Aaron Smith**, Springfield, OR was first of 85 to say that Sue was pretending to fill an electric car from a gas pump.

---

*These contests are popular with our readers; you can contribute by sending pictures of DSC products in unusual locations and ideas for What's Wrong with this Picture and Where in the World Contests.*
