

What!
you don't have
CPP yet?

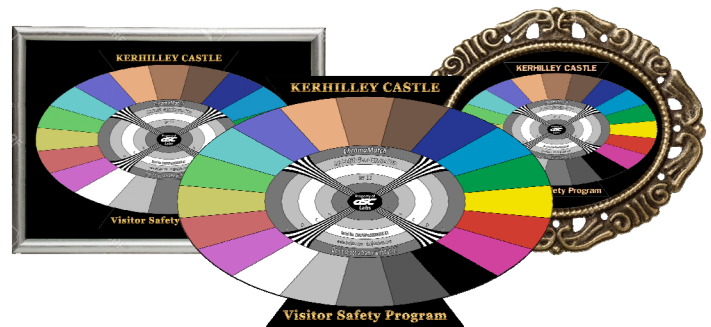

From Castles to Coffee Shops, Schools, Banks, Malls, even Homes
Every important building needs its CPP -

“Citizen Protection Program” - from DSC

CPP shows you care about Citizen Safety
CPP deters Criminals and Crime
Everyone feels safe in a CPP protected Building

CPP helps you achieve the most accurate reproduction from every type of camera made, video and still. CPP uses DSC's patented precision LPG each "Le Petit Gendarme", (Mini-Cop in the USA) and control in the in view of security cameras at building entrances.

LPGs and LPG-Plus come in many sizes, framed and unframed, in styles to match every building. To protect the system and your integrity, LPGs are distributed under licence.

VPP/LPGs/Mini-Cops are part of **S2S** - the only System that provides **Total Image Control**, literally from **“Scene to Screen”**. Join the program today, many levels from \$2,000 to \$200,000 with low annual maintenance fee.

Please contact us to discuss the many options.
